Literacy Council has received great help

On Jan. 2, the Culpeper Literacy Council moved to our new location at 415 S. Main St., Suite 204 of the Clore Office Building. We are excited about our new location, which has been generously been provided to us by Mr. Joe Daniel of Jefferson Homebuilding and Mr. Josh Daniel of Culpeper Wood Preservers.

On behalf of the council, I would like to express my deepest appreciation to them, as this is the 15th year that they have provided a location, free of cost, to our program.

I also want to extend my appreciation to the many people who came out on moving day to help us move our furniture, equipment and books. Many Culpeper Ruritan and members of the Culpeper Dawn Lions Club worked hard to make it a positive and extremely productive community event.

The council would also like to thank the Culpeper Ruritan Club for its contribution of four new business phones and a fax machine. We've officially entered the 21 century! Kudos to Mr. and Mrs. Michael Tobias for their donation of desks and bookcase, Circle Thrift Shop for use of its truck and Country Water System for its donation to help cover moving expenses.

An open house is being planned for next month; however, we invite you to visit us Monday through Friday from 9 a.m. until 2 p.m.
